

Courd J. Heuer

Lead Project Coordinator/Revit Tech

Personal Stats

9 years in the industry working for architectural firms

<1 year with S2O Consultants

University of Notre Dame
Bachelor of Architecture
Concentration in Architectural Practice
and Enterprise

City of Residence: Chicago

As a licensed architect, Courd has extensive experience in design and project management from the architectural side, with 6 years at LRK, Inc. and 3 years at McNicholas Architects, where he was a Senior Associate and Project Manager. His understanding of the design and construction process aids in efficient and complete coordination of the food service design with the other members of the design team.

Project Responsibilities: Courd will be the project coordinator and Revit tech for the project and will work with the design team to coordinate the food service design.

Courd will oversee the daily project coordination, including foodservice equipment floor plans and equipment utility requirements. He will also be responsible for producing project documentation, and will aid in the creation of equipment specifications and budget estimates.
